Remarks:

The general arrangement of headstones is parallel to avenues in rows alternately 8 and 12 ft. apart, with stones set 4 ft. apart in row (S.E.S.). — Detached stones, and stones arranged in circular form, mark graves of officers.

The notes and bounds as platted, show outside boundary of wall at surface of ground. The meridian line shown, was obtained from observations on Polaris, and may be relied upon.

Elevations given are from Sealed datum - figures at intersections of avenues, show elevations to nearest foot.
